INSTRUCTIONS

This year, our Winter Trail is all about kindness!

The elves have been busy spreading a little Christmas mischief around Faversham, and they need your help!

They've hidden clues representing different acts of kindness in local shops and businesses. Your challenge is to explore the town, visit the places on our trail and find them all!

Once you've found all the kindness clues, write your name and contact number on the front of this sheet and pop it into the red postbox at the Visitor Centre.

You'll then be entered into our prize draw, where one lucky winner will be chosen at random!

Before you go, don't forget to pick up a special kind message from the box next to the postbox. A little kindness can make someone's day!

Thank you for taking part in Faversham Town Council's Winter Trail. We hope you have lots of fun exploring, spreading kindness and enjoying the festive season.

Wishing you a very Merry Christmas!
