Proposed Double Yellow Lines Entrance to Tin Bridge Cottages, Canterbury Road, Faversham - Second Consultation

You may recall our previous consultation back in November last year, on proposed double yellow lines at the entrance to Tin Bridge Cottages. Firstly, we would like to thank everyone who took the time to respond to our consultation and provide valuable comments. We received 5 responses, 2 supporting the proposals and 3 objecting. Based on the feedback, including comments from the bus company, we have amended the proposals as shown overleaf. We have tried to strike a balance between keeping the access to Tin Bridge Cottages clear whilst maintaining some parking capacity for residents who do not have off-street parking facilities, as well as marking the bus clearways to ensure parked vehicles are not displaced to obstruct the bus stops.

We would be most grateful to receive your views as to whether you support or object to the proposals, and the responses received will be reported to the Swale Joint Transportation Board to consider at their next meeting. Please note that direct, individual responses will not be sent out in response to each questionnaire. At the end of the consultation a report on feedback will be compiled and this will be available on request.

Please e-mail your comments to us at engineers@swale.gov.uk or alternatively complete the reply slip below and return to Swale Borough Council Engineering Services, Swale House, East Street, Sittingbourne, Kent, ME10 3HT, by **Friday 12th March 2021**. A space has also been provided to allow you to add any further comments you may have. Thank you for taking the time to respond.

Proposed Double Yellow Lines – Tin Bridge Cottages, Faversham – 2nd Consultation
