ALLOTMENTS Update October 2021

All sites are in the process of renewing the tenancies for each plot, discussion is on going regarding this year's AGM, as we have elderly populations so face to face isn't good due to there health and Zoom call they don't have the technology.

Question was raised if they can move AGM to the Summer months this way an AGM/Open day at a weekend would attract more plot holders to attend. I've said I can't see a problem with this. Will advise when know.

 - Please collect your Rent Notices and Seed Catalogues from our social building, Saturday October 9th and Sunday October 10th from 11am to 3pm.
 - This year we are holding our Halloween Bonfire on Saturday October 30th at 4.30pm. Please bring along something for the food table to share and also bring your own drinks.

This event is held in the car park by the public footpath and the bonfire is started two weeks before, I'll inform when. For the new tenants this gives people chance to bring along their rubbish (only burn able items, no green please) we can then have one big bonfire instead of lots of small ones.

Annual General Meeting is being held in our social building on Saturday 20th November at 11am, rent payments can be made before the meeting starts.
