2. Considerations

2.1 According to The Bank of England the current inflation rate is 4.2% (<https://www.bankofengland.co.uk/monetary-policy/inflation>).

2.2 Following lengthy investigation, early indications for the insurance of the Faversham Charters and Magna Carta Exhibition are around £26,000pa. This figure is provided before any security improvements have been advised by the insurance company. Consideration should also be given to the finalisation of the exhibition, opening events, marketing and purchase of merchandise.

2.3 The government has announced the National Insurance thresholds for 2022/23 with the rate of employers' NICs increasing from 13.8% to 15.05%.

2.4 Proposed external works to The Guildhall, totalling £43,000, have not been included in the budget. The estimates were:

External decorating	£15,000
External window repairs	£10,000
Scaffolding	£13,000
Materials / paint	£5,000

2.5 Proposed external works to The Town Hall, totalling £20,000, have not been included in the budget. The estimates were:

External decorating	£15,000
Scaffolding	£5,000

2.6 Following a Staffing Review undertaken by the LCC, the Confidential Staff Salaries (Appendix C) shows the recommended changes to SCP. In addition, a 3% increase has been assumed to the salaries scales, in lieu of the annual pay reviews for 2021 and 2022.

3. Assumptions

3.1 The table below provides an assumption for the Precept and Band D based on the Tax Base Rate of 6880.49:

Increase	0%	3%	5%	7%	10%
Precept	537,022	553,132	563,875	574,613	590,724
Band D	78.05	80.39	81.95	83.51	85.85

The Draft Budget (Appendix B) shows an increase of 3%

4. Earmarked Reserves

4.1 Appendix A projects the earmarked reserves for the end of this financial year. Current major projects are the Neighbourhood Plan, 20's Plenty and Magna Carta Exhibition and any unspent funds for these will need to be earmarked and carried forward to the next financial year.

5. Committees

5.1 Following the Budget Workshop the requests below were received from Committees and Working Groups for the next financial year, but may be subject to any subsequent review of committees:

6. Recommendations

6.1 It is for Members to decide whether there should be an increase to the Precept and in so deciding what next year's priorities should be. However, I make the following recommendations:

6.2 The unspent £60,000 for the youth worker should be vired into the main budget, requiring the Precept to be increased by 3%, in line with the current inflation.

6.3 Members are asked to note the Considerations in paragraph 2 of this report.
