

## KCC Tree planting

Millfield Road junction with Whitstable Road in place of concrete planters

Can be added to list for next year's capital planting

Station Road opposite Railway Station entrance

Can be added to list for next year's capital planting

Station road next to junction with Newton Road

Scheduled for planting this season

Along St Pauls Avenue at top of Lower Road (on the grass area)

Not highways maintainable

Reedland Crescent

Not highways maintainable

Bramblehill Road

Not highways maintainable

Bysingwood Road

Trees to be plotted and planted this year – subject to service checks

Junction of Broomfield Rd and Forstall Rd

Not highways maintainable

Wildish Road

Trees to be plotted and planted this year – subject to service checks

Bob Amour Close (Grass area either side of junction with Whitstable Road)

Not highways maintainable

Court Street – Near junction with Quay Lane/Abbey Street

Can be added to list for next year's capital planting

Court Street opposite side. (Would be good to add additional planting here too, too much concrete currently)

Can be added to list for next year's capital planting

Crescent Road – Near zebra crossing to Ask Italian

Trees to be plotted and planted this year – subject to service checks

Stone Street – Generally lacking in trees particularly nearer Preston Street end.

Can be added to list for next year's capital planting
