## Items of good work:

- Police had an increase in patrols over the bonfire night weekend. We received two calls regarding fireworks being set off at The Recreation Ground, but none were seen by Police and no one present on attendance.
- PCSO's have completed weapon sweeps at The Recreation Ground, nothing located.
- PCSO's spent the day on a E-scooter Op in Faversham Town, this is where Police would stop any person using an E-scooter and issue them a Section 59. If the person had already received one Section 59 then the E-scooter would have been seized. We spent the day on foot in town but did not see any E-scooters.
