Dear Resident/Occupier

Faversham Residents' Parking Scheme – Proposed Extension Edith Road

You may recall previous consultation regarding the proposed extension of the Faversham Residents' Parking Scheme to include Edith Road in Faversham.

A report, which included comments from the recent design consultation, was submitted to the Swale Joint Transportation Board at their meeting in December 2021.

The Joint Transportation Board recommended that the extension of the existing Residents' Parking Scheme to include Edith Road, Faversham be progressed, and the amended plan following consultation comments, be implemented. A copy of the updated plan can be found on the reverse of this letter. The minor alterations related to the two existing vehicle accesses, and these alterations were implemented following liaison with the properties directly affected.

A Traffic Regulation Order for the proposed extension has now been drafted and will be advertised from 4th March 2022, with a deadline for the submission of formal objections and indications of support of **midday on Friday 25th March 2022**.

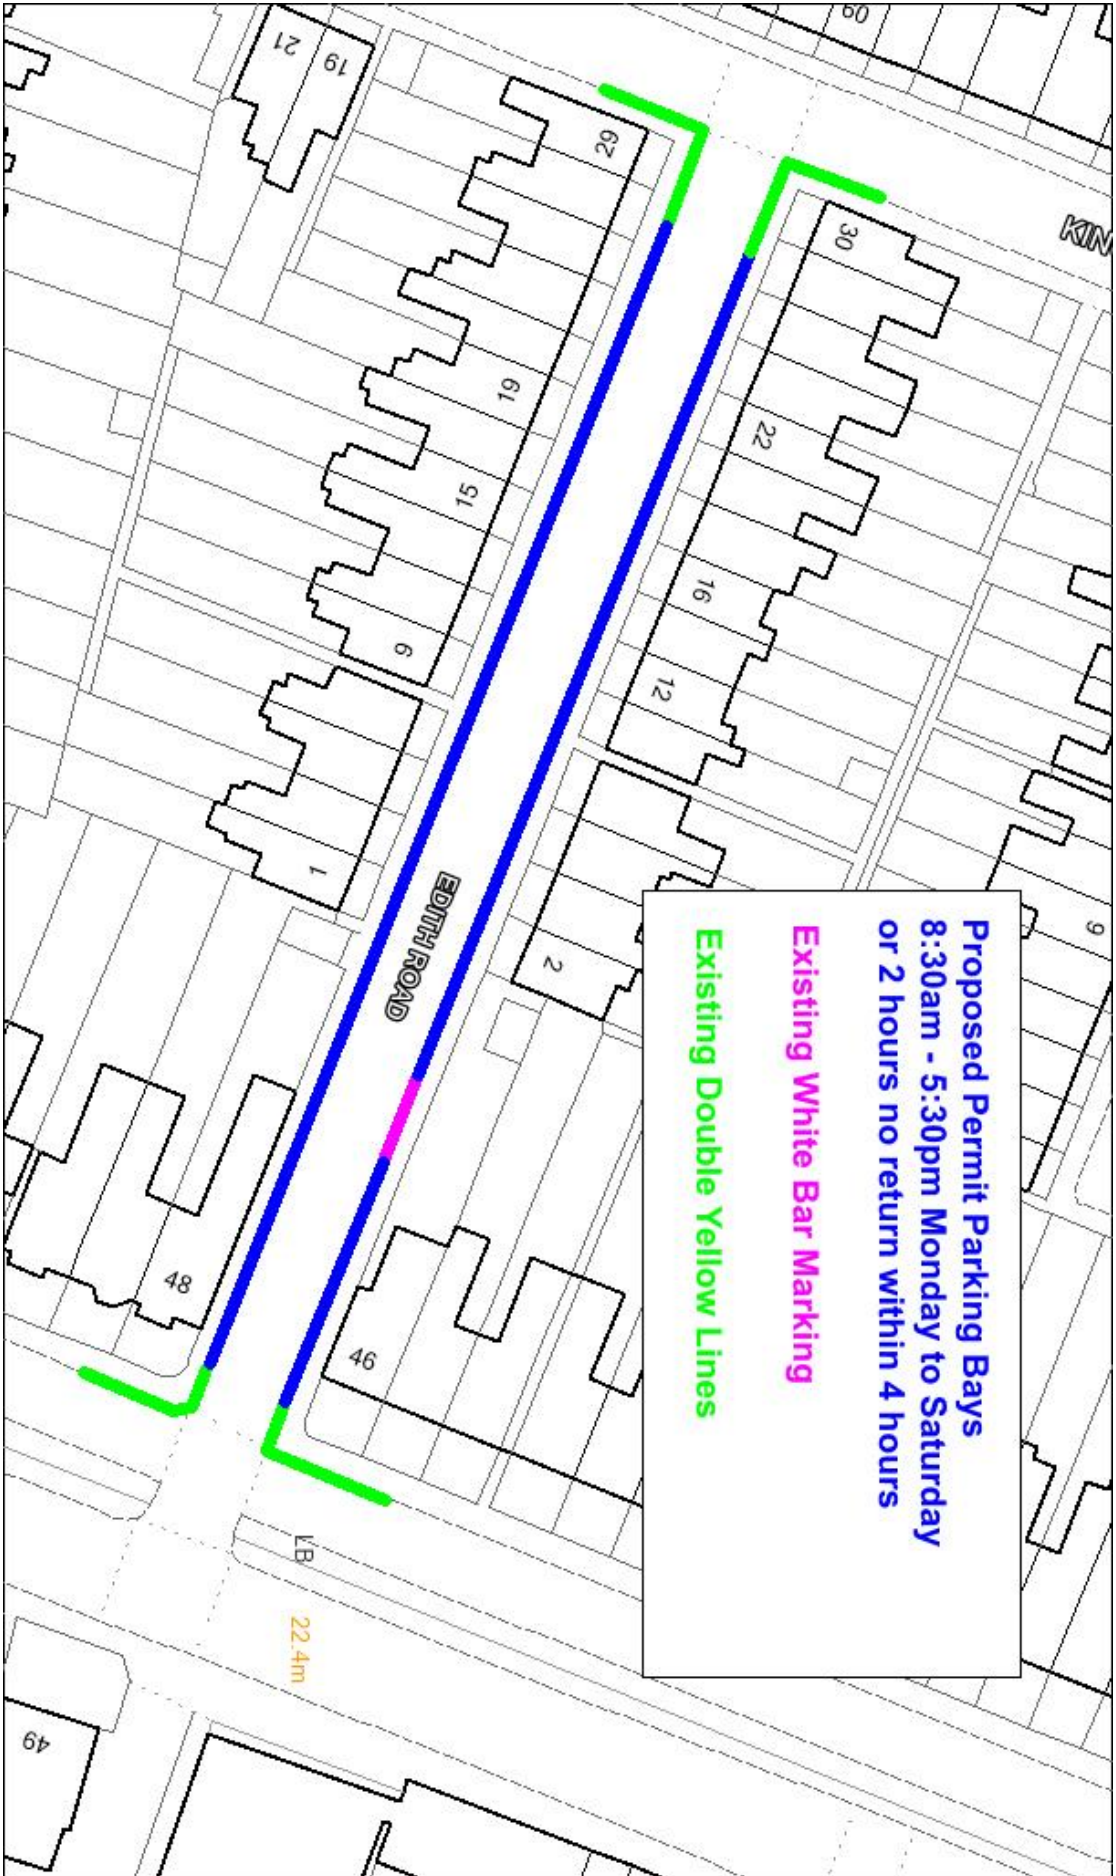

Comments received during this formal consultation will be submitted in a report to the Joint Transportation Board to consider at their meeting in June 2022. The TRO will be advertised via temporary signs on lamp columns in Edith Road and in the local press.

If you require further information, please email engineers@swale.gov.uk

Yours faithfully

Engineering
