Dear Ms Upson

**Disabled Toilet Access**

It has recently been brought to our attention that the Disabled Toilet in Central car park in Faversham has been locked and unavailable after 6pm. It was particularly noted on the recent Diamond Jubilee celebrations and caused great difficulty and inconvenience for the residents and visitors taking part.

It appears that recent problems may have been caused by vandalism to the door closers.

We would seek assurance that if vandalism re-occurs that different options for door closers are investigated and RADAR key holders are able to access the disabled toilets in Faversham when required.

Yours sincerely

Rob Gibbs  
**Assistant to the Town Clerk**
