Subject: RE: Follow up to letter sent on 4th August regarding disabled toilet access

Good afternoon Rob

Apologies for the delay in responding to this.

Unfortunately there has been a number of Anti-social behaviour incidents in the public conveniences and despite various reports to the police the issue has worsened recently.

I have asked the contract manager at Monitor to confirm if the disabled toilet is currently being double locked due to the issues we have experienced or if there is a fault with the lock and will update you when I have had a response.

Kind Regards

Kelly Upson | Environmental Contract Manager

Subject: Follow up to letter sent on 4th August regarding disabled toilet access

Hi Kelly

Please would it be possible to have a response to the attached letter sent on 4th August regarding disabled toilet access in Faversham?

It would be useful to have something to report to our Equality and Diversity Working Group next Wednesday.

Kind regards
