

FAVERSHAM TOWN COUNCIL

STATEMENT OF INTERNAL CONTROL

FOR THE YEAR 1ST APRIL 2024 – 31ST MARCH 2025

1. SCOPE OF RESPONSIBILITY

Faversham Town Council (the Council) is responsible for ensuring that its business is conducted in accordance with the law and proper standards, that public money is safeguarded and properly accounted for and used economically, efficiently and effectively. In discharging this overall responsibility the Council is also responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. Therefore, it can only provide reasonable, and not absolute, assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

The system of internal control will be in place at the Council for the financial year ended 31st March 2025 and up to the date of approval of the Annual Report and Accounts and, except for the details of significant internal control issues at section 5, accords with proper practice.
