

Highway improvements in your area

A2 / A2051 The Mall, Faversham – Resurfacing

What we plan to do

Kent County Council are planning to resurface a short section of carriageway on the A2 opposite the Mall. This section of carriageway has experienced minor subsidence and required full depth reconstruction is required to fill in any soft-spots.

(please see a plan of what we are going to do on the next page).

When we plan to carry out the work and how long it will take

The work will take around **4 days** to complete, commencing on **31st May 2023** (including Saturday), between the hours of **7am** and **7pm**. Due to the location of the proposed works, delays will be expected and we apologise in advance for any disruption caused.

This type of work can be affected by bad weather, so if it is not possible for us to carry it out at this time, we will arrange a new date and let you know via a letter drop to your home. We will also put up signs along the road, before we start, showing the date we plan to start work.

How will we carry out the works and how it will affect you

The works will be undertaken using **temporary traffic signals** to give our contractor a safe area within which to carry out necessary construction works. Due to the proximity of the A2 / A251 junction, it will be necessary to bag over the existing signals and place temporary 4 way traffic signal control with manual control.

How you can help us

We need your help to make sure the work is done as quickly as possible and to the best possible quality, without causing you too much inconvenience. If your vehicle is usually parked on the carriageway, please make sure you park it somewhere else away from the site whilst the works are carried out.

For your safety and the safety of our workforce, please drive carefully and slowly through the roadworks.

Feedback from our workers shows that too many drivers go too fast through roadworks. Everyone is entitled to a safe workplace and our staff work next to moving traffic and risk injury every day to maintain and improve the highway for everyone.

How to contact us?

For further information or to find out more about what we do please visit our website www.kent.gov.uk/highways where you can also report a fault on any of our roads across Kent. You can find us on Twitter @KentHighways. You can also view our diversion/permit details at www.one.network. Alternatively, you can call us on **03000 41 81 81**.

We often ask residents to fill in a short feedback survey on line at www.kent.gov.uk/roadworkssurvey.

WARNING – Beware Bogus Callers

Kent County Council Highways, Transportation and Waste do not allow works to be carried out on private properties. If anyone says they are working for us or our specialist contractors and offer to carry out any work for cash, they should be treated with caution. We advise you to contact Citizen's Advice on 03444 111 444 (Monday to Friday 9.00am to 5.00pm)
