Contractor	O'Rourke Construction
Enquires contact	Telephone: 0208 659 6559

#### **Description**

O'Rourke Construction will be commencing works in the carriageway and footway along B2040, Whitstable Road, Faversham. A road closure will be implemented on 24<sup>th</sup> July for one week to complete the works.

These highway improvement works are required because of the new housing development that has been constructed in the area.

A diversion route will be in place and access will be maintained for emergency services. Advanced warning signs will be placed on the network and a letter drop will be made to residents effected.

Public transport services have been notified of these works and are managing their service, please check the relevant website for updates.

We understand the impact this will have on the network and will be conducting regular site inspections and receiving continuous updates from the site supervisor to ascertain progression of the works and ensure that everything is in place to complete these works without delay.

As with all works it is hoped that the works are completed with limited inconvenience.

We appreciate the patience of the community while these works are being carried out, any questions or comments should be made directly to O'Rourke Construction using the contact details above.
