

1st August 2023

Dear Sir/Madam,

We would like to invite you to our drop-in information events for Cleve Hill Solar Park.

The event is an opportunity to speak to members of the project team to ask questions about where the project is up to, particularly around our upcoming submission of the project's Battery Safety Management Plan to Swale Borough Council.

You are welcome to visit our drop-in events at any time, so you are not required to sign-up to attend. However, if you would like to notify the team that you are interested in attending the event so that we can better understand who will be there on the day, please email us on info@clevehillsolar.com.

Details for the events are as follows:

Cleve Hill Solar Park Drop-in Information Events

Tuesday 8th August, 6pm – 8pm

AND

Wednesday 9th August, 12pm – 4pm

Graveney and Goodnestone Village Hall
Sandbanks Lane
Faversham
ME13 9DQ

If you have any further questions about the events, please feel free to get in touch via the communication channels at the bottom of this email.

Kind regards,

David Fisher
