

IT'S A WRAP!

Can you help Kent & Medway Community Sharewear to provide essential winter woolies this winter?

How?

1. Donate new or used, good quality hats, scarves and gloves to our Chatham, Faversham and Sittingbourne drop off points
2. Donate money so we can buy these items in bulk
3. Can't help us this time? Please tell other people, they might be able to donate!

All these items will be given to women and children in our community so they can stay warm this winter. Thank you.

For more info please email:
