

SUNFLOWER COMPETITION UPDATE

Schools

To date I have contacted all the Primary Schools within the Town Council boundary to see if they would like to participate in the Competition and how many seeds they would require.

To date the following have responded:

Bysing Wood Primary School	25 seeds
Ospringe C of E Primary School	210 seeds
Lorenden Prep School	106 seeds

I will chase those that have not responded yet.

Distribution of Seeds

I have booked a stall at the FTC Easter Fair at St Mary's Church on Saturday 19th April to which members of the public will be able to collect their free seeds.

I plan to speak to the VIC, Faversham Umbrella, the Alexander Centre, West Faversham Community Centre, and other local community meeting points to see if they can help with the distribution.

Publicity

I have designed a poster which will be distributed to the Community meeting points used plus there will be a social media campaign.

Prizes

Each participant will receive a Certificate signed by the Mayor but the winner in each category will receive a prize – Prize to be decided.

The Categories are:

- Grown in the Ground
- Grown in a Pot
- Primary School
