

FTC ALLOTMENT REPORT.

Stonebridge.

There are no issues currently at Stonebridge allotments.

The committee is doing a really good job, like all the other allotment committees.

Stonebridge has 74 people on the waiting list.

Millfield.

Millfield has 33 people on the waiting list and a few vacant plots which are being prepared for potential tenants..

Had an issue with the waiting list at Millfield, think to many people getting involved with sorting out the plots and taking people off, the secretary needs to take charge of this.

St Nicholas.

There are no issues currently at St Nicholas allotment.

The waiting list is starting to grow, with good numbers coming in.

There are vacant plots on the site.

Perry court.

No issues on site, working well.

The allotment is starting to take shape, and plots are looking good.

Knee rail fencing to be installed along the front of Perry Court, which will be in June. The supplier is Jackson Fencing Company. I'm looking at a two-week window for this work, all posts will be set in post-Crete.

Need to start looking into a Good, heavy-duty Lawn mower for the site, as the grass is taking sides and the walking trail needs cutting. The prices for the mowers, list are attached separately.

The container work still needs to be done inside, make a shadow board for the plot holder, hand tools. Price £60 - £70

Perry Court has 21 people on the waiting list, and it continues to grow.

North Preston.

All is well on the site.

Work to be done on the noticeboard. Price £45 in Materials.

Plot holders are asking for the Bonfire area to be moved and have one or two burning bins put in the area near the gate, so that no cars can drive over this area, and it would decrease the size of the bonfire by having bins. Price £70 for two bins.

The composable toilet on site is not working properly, the pipe needs a fan on top. Price around £125 + vat.

North Preston has 5 people on the waiting list.

Pumpkin Report.

I have had 4 plot holders sign up for the Pumpkin competition, 1 from Stonebridge, 1 from North Preston, and 2 from Millfield. All posters have been displayed on all allotment sites.

Benches report.

Bank Street Bench: taken away, cleaned, sanded down and re-varnished, wooden slats renewed.

Stone Street Bench: looking at taking this apart, fresh paint on the arms, wooden slate sanded down, stained and a varnish finish. This is next on the list.

Stonebridge pond: new Bench to be fitted, for Sylvia Lawrence in memory of Anita Jean Walker, work to do on the concrete pad, and Bronze Plaque fitted.

Hopper Bus Perry Court.

The bus is working well at Perry Court.

We have one new driver starting and hopefully two more.

Report on the Blast Wall.

1. Two Cracks running up the wall.
2. Repointing of the wall is needed.

3. Repointing is needed on the wall.

4. Replacement of bricks and mortar to the blast wall.

5. Repointing of mortar to blast wall.

6. Replacement of bricks on the wall and bricks removed, wooden boards in place.

7. Loose bricks on top of the wall and the mortar need replacing.

8. cracks in the wall and mortar is needed.
