Dear Owner/Occupier

Disabled Persons Parking Bay

The Kent County Council, as Traffic Authority, has the power to designate part of the highway as an on-street parking place and control the type of vehicle and the terms and conditions of its use under the Road Traffic Regulation Act 1984. Therefore, the Kent County Council can provide special parking bays on streets for disabled people who have substantial difficulties in parking and walking in the vicinity of their property.

Swale Borough Council has received an application for Disabled Persons Parking Bay at the following address: **35 Athelstan Road, Faversham**. The applicant has met the current Kent County Council criteria for a bay.
