

Thank you for coming

Strengthening community resilience together in Swale

What's next?

- Sign-up for your self-assessment
- Share details about the Swale project with your colleagues and communities
- Tell us what support you need to strengthen your community's preparedness

Get in touch to sign up and complete your self-assessment

krfcommunityresilience@kent.fir.e-uk.org

Once we receive your email, you will be given unique login details to get started.

Community resilience self-assessment

Free access for pilot parish and town council participants on a **first come first served basis**

Tool that helps you to understand what **levels of preparedness** you have

Complete a **simple online self-assessment**

It provides you with a **bespoke report** of your community's current preparedness

Provides **recommendations** on ways you can increase your levels of preparedness and signposts you to **local and national resources**

Complete again in **6 weeks to 2 months'** time to measure any improvement
