Hi Rob, sorry for the delay in getting back to you.

We normally charge £5,000 for a project licence but as you're a town council I know your budget might be smaller.

Is it worth hopping on a quick 10 min call so I can understand exactly what you're after, so we give you the right price?

Thanks

Hi Dorrian

Our Active Travel Committee has asked me to obtain a quote for access to Commonplace. We would be using it to carry out survey work.

Please could you advise?

Many thanks

Kind regards

Rob
