Hi Rob,

Please see answers to your questions below for your review.
If you have any questions please feel free to contact me directly.

Could we extend the lease – and what would be the costs?

Yes, we can extend for the following:

12 Months, £1759.55 per month

24 Months, £1793.71 per month

Could we purchase the vehicle, and again would there be an estimate for the purchase? If we were to purchase, would you still provide maintenance facilities for us?

Unfortunately, the way that we fund the vehicle means that we would not sell until the vehicle is 5 years old.

What would be the cost of leasing a new Sprinter?

As per current T&C's

36 Months, £1902.36 per month
