Request to use Faversham Emblem

My name is Stuart, I'm a local craftsperson and I'm looking to add some souvenirs to sell within the Visitors Centre and the Fleur De Lis Museum.

I spoke to the VIC Manager regarding the subject. She gave me your email and said I should contact you regarding gaining permission to use the Faversham three lion coat of arms and the Lion logo from the Faversham Town Council and the legality of doing so on small items such as keyrings , fridge magnets and bookmarks etc.

I will include a pictures of said items for you to look at. I would only make these items, that include the coat of arms and logo, to sell within these establishments, I wouldn't be looking to sell in any other way.

Please let me know if there is any criteria I have to satisfy/hoops to jump through to accomplish this.

Yours sincerely,

Stuart
