

COMMUNITY PROJECTS REPORT – FIONA PALMER

October 2026

Age Friendly Faversham (incl. Dementia, Loneliness)

-Following our successful Action Plan Workshop in August, we now have the beginning of an Action Plan. Bernadette McNally from KCC is our advisor and she has helped turn the notes from the meeting into a more effective Action Plan. I am attaching it for you to look through as a Community Committee, but I'm aware this may have to be approved at a full councillor meeting. The link to the document is here: [Age Friendly Action Plan.docx](#)

-KCC have around £8–10k available to support the council with implementing the actions, particularly where this could support co-design with residents. There are also micro-grants available to local charities and not-for-profit organisations who are working on an Age Friendly project.

-We have another steering group meeting on Monday 16th November. At this meeting we will look at the Action Plan and start thinking about who will lead on each action.

-Updates for the project are on this webpage: <https://favershamtowncouncil.gov.uk/community/age-friendly-faversham/>

Armed Forces in Faversham

-I am still awaiting confirmation of how much we will receive for the 'Faversham in the Forties Celebrates Armed Forces Day' event, from the Armed Forces Day Grant team.

-Cllr Charles Gibson has suggested we start looking at what steps we need to take to achieve the Gold Award for the Defence Employer Scheme. At present I do not have much spare time to look at this.

-Ongoing actions are to maintain the promotion of the Armed Forces in Faversham through our town events and sharing information about what different groups are doing on our website and social media.

-Updates for the project are on this webpage: <https://favershamtowncouncil.gov.uk/community/armed-forces-in-faversham/>

Faversham Community Networking Group (FCNG)

-We met in October at The Alex and had speakers from Active Kent and Medway, who receive funding from Sport England to deliver programmes to get people active; and South-East Water who spoke about the support residents can seek if they are in financial hardship. The Alex kindly allowed us to use their Mayor's Parlour free of charge.

-A quiz night has been arranged for 23rd October. The money raised from this will help pay for the FCNG Christmas Day Lunch, for those feeling lonely to have company on Christmas Day (Run by Quick Quizzers).

-There will be a Christmas Day Lunch on 25th December, for anyone alone at Christmas. I have got to work with Becky Duffy to organise this over the next couple of months.

-We will be holding a Volunteer Fair on 12th February in The Guildhall (organised by me).

-The next meeting is on 13th November at The Alex TBC.

-If you wish to join the mailing list, to receive the minutes, etc and attend meetings, please let me know.

-Ongoing work is to find new presenters for the meetings, to organise venues whilst the Guildhall is out of use, to prepare the agenda and power point for meetings, to write up and send out meeting minutes, and to pass on any information that is sent in to other members via Mailchimp and the Facebook page. Throughout the year I am also responsible for collating the information for the Family Food Map (which goes out 3 times a year to all schools), the Z-fold Leaflets (which is reprinted annually), and the Christmas Day Lunch.

-Updates for the project are on this webpage: <https://favershamtowncouncil.gov.uk/community/fcng/>

Neighbourhood Watch

-I now receive all the emails from this scheme and others from the Community Police Officers.

-I have started to add some of the information to this webpage:

<https://favershamtowncouncil.gov.uk/community/crime-and-antisocial-behaviour/>

Other Projects

-Before Louise left, she asked me to take on the following projects, but I have not yet had time to look at them:

- White Ribbon - violence against women and girls
- Disability Confidence Employer – moving to the next level

Misc.

-I am now supporting Emma with Finance two mornings a week (8 hours), so this has decreased the amount of time (to 3 mornings a week – 12 hours) that I can spend on other projects.
